Summary

Motivated and ambitious individual currently pursuing a Bachelor's degree in Computer Science and Engineering at LJ Institute of Engineering and Technology. Passionate about web development, with a focus on creating impactful and innovative solutions. Eager to contribute to dynamic projects by leveraging modern web technologies, creativity, and technical expertise.

Education

Bachelor of Computer Science and Engineering
LJ University, Ahmedabad, Gujarat
November 2022 - July 2025

Diploma in Computer Engineering
K.D Polytechnic, Gujarat
August 2019 - July 2022
CGPA: 6.68/10

Experience

Web Developer

December 2023 - Present

- Developed mobile-friendly and cross-browser-compatible web applications using HTML, CSS, and JavaScript.
- Built dynamic and interactive web applications using the React.js library, leveraging its component-based architecture.
- Optimized web performance and loading times by implementing best practices, including image optimization and code minification.
- Conducted usability testing to gather user feedback and iterated on designs to improve user experience.
- Utilized version control systems like Git for efficient collaboration and code management.
- Participated in agile development processes, attending daily stand-ups and sprint planning meetings to ensure timely project delivery.
- Created documentation for code and application features to facilitate knowledge sharing and future maintenance.
- Assisted in troubleshooting and debugging issues, ensuring smooth functionality across different devices and browsers.
- Worked closely with UX/UI designers to translate complex designs into functional web pages without compromising aesthetics or usability.
- Resolved front-end bugs promptly, ensuring optimal website performance at all times.

Skills

Technical Skills:

- Programming Languages: Python, Java (Core), C, C++, JavaScript
- Frontend Development: React.js, Next.js, HTML, CSS, Tailwind CSS, Bootstrap
- Backend Development: Node.js, Express.js
- Database Management: MySQL, MongoDB
- Version Control: Git, GitHub
- eCommerce Platforms: Shopify
- APIs and Integrations: REST APIs, GraphQL

Soft Skills:

- Teamwork and Collaboration
- Time Management and Punctuality
- Problem-Solving and Analytical Thinking
- Adaptability and Quick Learning
- Strong Communication Skills
- Leadership and Decision-Making
- Attention to Detail

Languages:

- Gujarati (Fluent)
- Hindi (Fluent)
- English (Proficient)

Certifications and Awards

- Represented India for Minifootball Worldcup
- Coursera: HTML, CSS, JavaScript
- Coursera: Machine Learning with Python

Projects

Dynamic Web Application for E-Commerce
Event Booking Admin Panel (React.js)
School Management Admin Panel (React.js)
Yacht Rental Website (React.js)
Yacht Rental Admin Panel (React.js)
Google Form Clone (React.js)
Mart Web App (Shopify)
Car Escape Game (Python)
vehicle motion detecting using optical flow (Python)

Interests and Hobbies

- Representing Team India in Mini football World cup.
- Playing and Representing Football Teams (Represented LJ University in All India University Tournaments).
- Exploring Emerging Web Technologies.
- Community Participation in Open-Source Projects.
